## INVITATION to the 2nd AFTRA Teaching and Learning in Africa Conference *Collocated with the* 4th AFTRA Roundtable (Kenya 2013)

The Africa Forum of Teaching Regulatory Authorities (**AFTRA**) is an association of the Teaching Regulatory Authorities in all African countries. AFTRA is also a subset of the world body of the Teaching Councils, called the International Forum of Teaching Regulatory Authorities (IFTRA).

AFTRA is made up of the Organizations mandated by law to regulate the teaching profession in their counties. The main objective of AFTRA is to promote status and quality of the teaching profession and to facilitate cooperation and exchange of best practices among member countries in order to enhance quality of education in the continent.

AFTRA annually organises two major events to help achieve its critical objectives and these events are the **AFTRA Teaching and Learning in Africa Conference (ATLAC)** which is open to all stakeholders in education across Africa and the world at large, and the **AFTRA Roundtable** which serves as the annual general meeting and workshop of member organisations. This year, the Teachers Service Commission (TSC) of Kenya is hosting the two big events - the **2<sup>nd</sup> ATLAC** and the **4<sup>th</sup> AFTRA Roundtable** from 24<sup>th</sup> June to 29<sup>th</sup> June 2013 at Pride Inn Sairock Beach Hotel in Mombasa, Kenya.

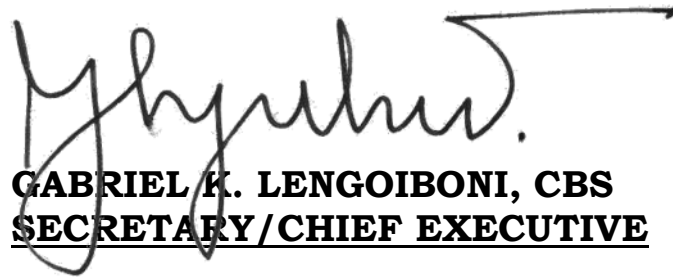

In these regards, on behalf of AFTRA, the Teachers Service Commission is pleased to invite you to attend and participate in this year's
