Dear esteemed author,

PRE-PRINT VERSION OF THE BOOK OF READINGS ON CESA 16-25

Once again, this is to appreciate your paper contributed towards the publication of the **Book of Readings on the Continental Education Strategy for Africa, CESA 16-25**, a project initiated by the Education Division, African Union Commission during the tenure of Her Excellency, Professor Sarah Anyang Agbor as Commissioner for Human Resources, Science, Technology, and Innovation, and Africa Federation of Teaching Regulatory Authorities (AFTRA).

However, the publication could not happen promptly as planned due to the Covid-19 pandemic and other circumstances. The editors are aware that this has caused inconveniences to the well-meaning authors. Therefore, while still working on publishing the Book at the earliest opportunity, editorial decision was reached to share the attached **PRE-PRINT VERSION** with all authors. The version, which has been catalogued by the National Library of Nigeria with **ISBN 978-978-791-962-0**, in accordance with international best practices is already a legal tender.

All authors will eventually be provided with the hard copy as soon as the final publication is accomplished.

Please accept the assurances of the highest esteem of the Editorial Team.

Prof Steve Nwokeocha
